Nighttime Bunion Regulator™

Aligns and relieves bunions while you sleep.*

Gently stretches tight tendons and muscles to help slow the bunion formation process. This anatomically molded splint gently positions the big toe towards its normal position, while you are sleeping! Soft foam lining provides maximum comfort. Recommended by doctors to their patients who want to avoid or postpone surgery.

Available by shoe size. Specify Left or Right. One per package. *Use only while resting

Helpful Hint...

For daytime bunion relief, you can also use a Hapad Metatarsal Pad placed right behind the second metatarsal to lift, support and bring the great toe into normal alignment.

Visco-GEL® Bunion Relief Sleeve

Protects sore bunions from shoe pressure.

Slip on this ultra-thin nylon sleeve for instant relief from painful bunions. The soft gel pad won't slide when you walk or stand. Thin design fits most footwear styles. Hand wash and air dry.

One per package.

To Order:

Visco-GEL® Hammer Toe Cushion

Comforts and supports bammer toes with gel.

Soft silicone gel cradles bent-under toes and relieves pressure on toe tips. A reinforced toe ring slips over the 2nd, 3rd or 4th toes for secure positioning.

Washable and reusable. Specify Left or Right. One per package.

Helpful Hint...

For the most effective treatment of crooked, bent or misaligned toes, use a Hapad Metatarsal Pad in conjunction with the Hammer Toe Cushions, Visco-GEL® Hammer Toe Cushions and Pedi-Smart® Toe Trainers.

Item:

Pedi-Smart® Toe Trainers™

Aligns crooked, overlapping toes.

Soft, cotton-covered Velcro® splints relieve the discomfort of crooked toes, hammer toes and corns. Adjustable for a comfortable fit and varying correction. A soft fabric separator cushions betweentoe irritations and sore spots.

Washable and reusable. One size fits all. Two per package.

Item:

P51

"4-in-1" Super Soft Toe Cushions

Separates and protects toes to prevent rubbing and chafing.

These soft foam cushions slip between and around toes to protect and comfort sore spots. Placed underneath toes, soft foam reduces painful pressure on toe tips. Worn on top, they protect toes from shoe pressure and friction. Great for pedicures, too!

Washable and reusable. One size fits all. One pair per package.

Item:

P83

Visco-GEL® Toe Protector

Comforts and protects toes.

Soft, elastic sleeve is lined with Visco-GEL® to relieve sensitive toe irritations, ingrown nails and corns. Slips on over toe to cushion and absorb shoe pressure. Patented gel softens and moisturizes with time-released mineral oil. Also great for fingers!

Washable and reusable. One per package.
